

Certified Compostable Bags & Liners For Home, Commercial and Institutional Use

ECOSAFE®~6400™ COMPOSTABLE BAGS

An ASTM D6400 Certified Technology

COMPOSTABLE
IN INDUSTRIAL FACILITIES

Check locally, as these do not exist in many communities. **Not suitable for backyard composting.** CERT # 890992

Star Seal Bottoms

This most robust of seals allows bags to conform to the shape of the container and distributes the weight of the wet food scraps evenly around the bag. Star seal liners maximize the bag's carrying capacity and virtually eliminate leaks

From a small Kitchen Caddy to large carts... Look to EcoSafe and our National Network of Distributors for all your bag & liner needs
